Kick Off 3pm.

COMPLIMENTARY
PROGRAMME

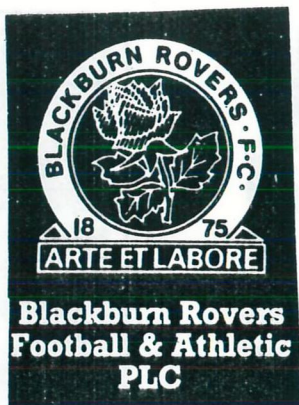

WELCOME BACK

Today we welcome you all back to Burnden Park for this open-Lancashire Manx Cup game against our neighbours, Blackburn Rovers and we extend a warm

welcome to their Directos', Players and Supporters. The Lancashire Manx Cup is a Competition sponsored by the Isle of Man Tourist Board and over recent years it has proved to be an ideal 'opener' in preparation for the stiff and demanding League programme ahead. The Competition is proving to be more popular for fans and it has the blessing of the respective Managers because there is a competitive spirit attached to all the games and some in the past have lived up to the 'Lancashire Hot Pot' image. It can also be a real confidence booster to the eventual winners because there is a Cup to be won before the season commences. The Cup itself is a real beauty and probably one of the biggest trophies to be played for, standing over two feet high. The current holders are Bury. Will the next be Bolton Wanderers.

WELCOME TO OUR VISITORS

BLACKBURN ROVERS are one of the few Clubs who still play in their original strip of blue and white halves, but today, to avoid colour clash they will appear in the all yellow change strip. The Club which has appeared in eight F.A. Cup Finals and sixteen semi finals is steeped in history. Not many Clubs have emulated Rovers' feat of winning the First, Second and Third Division Championships. The Club can smile at the days long gone when it rented a field from Blackburn Grammar School. It had a pond in the middle of the pitch which had to be covered with a board and sods of grass for matches.

Recently their fans have experienced frustrating times. They have seen a good team narrowly miss out on promotion to Division One on several occasions. Rovers failed to secure promotion by goal difference only a few seasons back when led by young and ambitious Howard Kendall. But last season Blackburn were unable to match the top teams and finished mid table.

The Ewood Park boardroom though is a constant reminder of the great days - even a shiny silver shield does date from the last century. The memento still on display was awarded to Rovers by the F.A. following a hat trick of Cup Final wins. Last season Blackburn appeared at Wembley yet again when they won the Full Members Cup.

CLUB NEWS

During the close season there has been much activity within the Club, both on and off the field. Phil. Neal has been kept busy with dealings in the transfer market with players both coming and going. We hope that the newcomers will quickly settle in and we wish them all well and hope that good fortune comes their way.

You will have noticed that new floodlights have been installed and the traditional 'Trainors' Boxes have been moved but probably the most significant change appears on the Embankment, the traditional Bolton End, where the new Normid superstore is rapidly taking shape.

OPEN DAY.

Last Sunday the 'Walk for Life' campaign set off from the Ground, led by Nat. Lofthouse and this coincided with the Club's Open Day. It gave supporters the opportunity to come along and meet the Management and Players and to view the facilities at Burnden.
